(+91) 8130027351 ◇ New Delhi, India

anil.rns2003@gmail.com ◇ linkedin.com/in/anil—sharma ◇ github.com/studentsharma

TECHNICAL SKILLS

Languages	C/C++, Python, JavaScript, HTML+CSS, Java
Libraries/Frameworks	C++ STL, React.js, Node.js, Tailwind CSS, Express.js, Socket.io
Web Dev Tools	VS Code, Git, GitHub, Render
Databases	MongoDB, MySQL
Coursework	Data Structures & Algorithms, Object-Oriented Programming, DBMS

EDUCATION

Bachelor of Computer Applications (BCA)
Maharaja Surajmal Institute, Janakpuri, New Delhi

Expected 2026

Higher Secondary Education in PCM + CS
Govt. Sarvodaya Co-Ed Sr. Sec. School, Janakpuri, New Delhi

July 2022

PROJECTS

Anime3fits (E-commerce) ([Link](#))

Anime-themed e-commerce platform built using MERN stack with TypeScript.

- Developed secure **authentication and authorization** with JWT.
- Created a **responsive product catalog**.
- Integrated a smooth cart process for improved user experience.
- Enhanced site performance with **optimized rendering** and API calls.

Chat App ([Link](#))

Real-time messaging platform built using MERN stack and Socket.IO.

- Implemented **two-way communication** with live message updates.
- Designed chat rooms with instant connection using **WebSockets**.
- Built a clean, mobile-friendly UI for smooth interaction.
- Optimized server handling to manage concurrent users efficiently.

Disaster Management Platform ([Link](#))

Developed a MERN stack platform to aid in disaster relief efforts.

- Integrated **real-time location tracking** and mapping APIs to display nearby hospitals and aid centers.
- Implemented an **alert system** that sends email notifications to volunteers with exact location details.
- Designed a user-friendly UI with **React.js + Tailwind CSS** to ensure accessibility across devices.
- Improved emergency response efficiency by enabling quick volunteer mobilization.

ACHIEVEMENTS & CERTIFICATES

- Solved 500+ Data Structures & Algorithms problems on LeetCode — [LeetCode Profile](#).
- Complete Web Development — [Credential Link](#)
- Web Development Fundamentals — [Credential Link](#)
